## SENIOR OR ASSOCIATE CIVIL ENGINEER

**\$94,500 - \$136,410**

The Westchester County Department of Public Works and Transportation is seeking dynamic and innovative Engineers to serve as Design-Phase Project Managers for civil engineering projects such as roads and bridges. The positions offer a unique opportunity to impact the shape of our County.

As Senior or Associate Engineer, you will work with design teams on a range of project types for County residents, from small rehabilitations for roads and bridges to large-scale multi-disciplinary new construction for public parks. Depending on the level of the position, you will be performing and overseeing analysis, design, bid documents, budgets, construction, as well as coordination with other County Departments, local municipalities and permitting entities.

Over the next ten years, the County will undertake important projects for public infrastructure rehabilitations.

The successful candidates will possess a Bachelor Degree in Civil Engineering or related field, and at least four years of experience in design and construction projects. Experience with the New York State Building Code and other permitting requirements is a plus.

### **Come join our team!**

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.

Please submit a cover letter and resume to [jobs@westchestergov.com](mailto:jobs@westchestergov.com).

Important: Please indicate **Civil Eng (DPWT)** in the subject line of your e-mail.

***Westchester County is an equal opportunity employer***

### About Westchester County

*Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.*
