

## **2026 WORK ZONE SAFETY SEMINAR** **Village of Tarrytown MAY 5, 2026**

These 2.5-hour workshop will discuss safely setting up your work zones. Bruce Johnson, retired NYSDOT instructor and manager has a wealth of experience to assist your Highway Departments with best practices for a safe and productive Spring and Summer Season.

The class will cover work zone safety with a focus on avoiding liabilities that are inherent in unsafe work zone set ups.

The following will be covered:

- Proper placement of warning signs for ongoing construction
- Importance of utilization of The Manual of Uniform Traffic Control Devices
- Keeping work zones in safe condition during unsupervised and overnight hours

List of dates and locations are below. PLEASE share this important regional seminar with your municipal contacts. Please contact Sophie Canty at [scanty@wrightinsurance.com](mailto:scanty@wrightinsurance.com) to RSVP.
